You must have an active account in your name to apply for assistance.

Name _____

Account Number _____

All blanks must be filled out with your most current and accurate information. The application must be signed, and the following items need to be attached to your application or **it will be returned to you to complete**:

- You must list all household members' income (salary, alimony, child support, AFDC, SSI, food stamps, and all other sources of income). **Attach copies to confirm the income.**
- For home repairs, attach the following:
 - A. **Bids from two (2) different contractors** – describing the work they will be doing in detail and material costs. Must include contractor's name, mailing address, and phone number.
 - B. **Photos of the items needing repair** – for example, if roofing repairs are needed, provide photos of the damage on the roof.
- For heating/air requests, you must submit bids from two (2) licensed heating/air contractors.

The Trust can only approve one (1) application per household in a four-year period, not to exceed \$5,000. If the approved bid exceeds the maximum amount, you will be responsible for acquiring additional funding of the difference before any work is started.

I have read and understand the above statement.

- **Attach proof of ownership of house and land.** (Ex: copy of your tax bill or paid receipt or a copy of your title). If the land/home is heir's property, you will have to get a letter signed by the person in charge of the property, as listed on the tax books, giving you permission to live there for five years or longer. It will also have to have a notary's signature and seal.

Additional applicant information:

- Approval process may take up to 90 days. If your application is not fully complete, this process will be delayed.
- The Trust Board does not fund projects that are started prior to Board approval.
- The Trust Board meets on the third Thursday of each month. Applications are due by the 25 of each month to be considered the following month. For example, if received on January 25 or before, it will be reviewed at the February meeting **if the application is complete with all supporting documents**. If the application is received January 26 or after, it will be held and reviewed at the March board meeting.
- A building permit (county or town) may be required for roof repairs, electrical work, or any structural changes made to the home (floor joists, fascia boards, etc.). Please check with the representative assigned to your application to see if you will need one. You will be responsible for obtaining this permit from the County or Town where you reside and submitting a copy to Berkeley Electric Trust prior to any work beginning.

Contractor Information:

- Quote: Your quote must be current and include a detailed description of the project to be completed – along with your name, address, and phone number. If you are awarded the job, please be advised that the check will be made payable to the name listed on the quote. **Bids older than 90 days from the date the application is submitted will not be accepted.**
- Payment: After the project is completed as outlined in the quote submitted, we will have the payment available for pick-up at our Moncks Corner office. We can also mail the check to you at the address provided, if you prefer. The Trust Board representative and homeowner must inspect the completed project before payment is released.
- Approval: Please do not begin any work until a Berkeley Electric Trust Board representative has authorized you to do so. The Trust Board will not pay for any work that you begin before you are awarded the job.
- A DHEC permit is required for installation/any work done to a well or septic system.

If you have any questions, please call (843) 761-8200.
